

# **EARLY MOVE IN** **PARKING INFORMATION**

To maintain a safe and efficient flow of traffic on campus, please ensure you and others with a vehicle who may be helping you move in, follow the guidelines below.

- Designated “Move-In” spaces will be located near each residence hall.
- Vehicles may only be parked in “Move-in” spaces for a maximum of 15 minutes. After this time vehicles ***must be moved to a legal commuter or resident space.***
- “Move-In” permits may only be used for one day and are only valid on the day you are assigned to move in.
- When parked in a Commuter or Resident space during this period, the permit below (***the arrival date must be circled on the permit***) must be displayed on the dashboard of your vehicle.
- All vehicles must be parked in a legal space.
- Vehicles may not be parked in fire lanes, on roads, sidewalks, grass, etc., even for a few minutes.
- Only vehicles displaying state issued handicapped license plates or permits may be parked in handicapped spaces. The permit below (with arrival date circled) must also be displayed.
- If you do not have a valid 2022 annual or semester permit you must either purchase your new fall 2022/spring 2023 permit (if eligible) or obtain a “Visitor” permit from a pay station for the days not covered by the “Early Move-In” parking permit.

Please see the parking website [parking.towson.edu](http://parking.towson.edu) or call 410-704-PARK if you have questions or need additional information.

WE APPRECIATE YOUR COOPERATION
